Technical drawing of a bridge deck cross-section. The drawing shows a central section with two vertical piles, each 62 units wide, spaced 80 units apart. The total width of the deck is 196 units (80 + 62 + 62 + 80). The height of the deck is 60 units. The drawing includes labels for 'Windguy cable anchorage 42-1', '42-9', '91-33', '91-32', and '91-36'. It also shows 'Slope 2%' on both sides and a 'B' section line. The drawing is a detailed cross-section of a bridge deck, showing the internal structure, including the piles and the deck slab. The dimensions are given in units, and the drawing is labeled with various callouts and section lines.
